Protecting your right to practice,  
and Why Donations Matter.*

## Why Donate To the PPF? • • •

### MFT RIGHT TO DIAGNOSE

Used to advocate for the protection and expansion of your ability and right to diagnose.

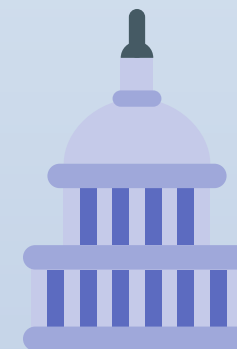

### MEDICAID RECOGNITION

Allows us to continue advocating for state-by-state reimbursement as Medicaid providers.

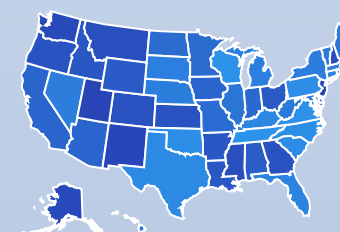

### MFTS IN MEDICARE

Assists our national lobbying efforts to have MFTs recognized as Medicare providers, as well as paying for Capitol Hill visits.

### MFT LICENSE PORTABILITY

Utilized in efforts to grant greater license portability across state lines.

### AND MORE!

The PPF helps to pay for a number of projects and advocacy issues that protect the practice of MFTs.

### To summarize...

*The Practice Protection Fund was created in an effort to defend the MFT profession from legislative and regulatory threats, as well as to help fund the advancement of the profession in every state. Please consider donating to the PPF today, to help protect the practice of marriage and family therapy from tomorrow's threats.*
