Here is the WAC 246-809-110 that provides definitions for supervision as face-to-face in WA for MFTs: <https://apps.leg.wa.gov/wac/default.aspx?cite=246-809-110>

Legislative Chair comments about face-to-face supervision in WA: the WAC is written by the regulatory departments (in this case, the DoH), to fulfill a legal Statute (RCW) created by the legislature. The Dept. of Health has the authority to rewrite WAC's (as long as the updates don't conflict with RCW's), but changing/amending RCWs requires legislators/new laws.
